Hello Manor Families:

The amazingly awesome **Manor End-Of-The-School-Year BBQ, Movie and Camp-Out-palooza** is on Friday, June 3rd, beginning at 5:00 pm.

RAIN UPDATE: Steady/moderate rain CANCELS...there is a forecast for rain, but let's hope for the best!

Families are invited to break out their very most favorite pot luck dish to share with 10-15 others.

BBQ and beverages will be provided

There is a voluntary \$20 contribution for the campout

A movie (to be named later) will be shown in the Multi followed by camping in your tents under the Fairfax sky (star-gazing and story-telling is up to you). A light, yummy breakfast will be served in the morning for all campers.

Volunteers for this event are needed for all aspects: cooking, clean-up, movie master (mistress), and monitors throughout the event. Families are asked to bring lanterns and all other equipment to insure a peaceful gathering on the Manor field.

Please RSVP for this event on the sign-up sheet in the Manor office or by emailing Mark Spilsbury at spilsee@yahoo.com This event is powered by the Manor PTA!

BIG THANKS TO MARK SPILSBURY FOR ORGANIZING THE EVENT!!

Lap-a-thon-tastic Event!

Thank you to all the parents, teachers and students who ran and cheered and counted laps at our super Fun(d) raising event last Friday. The sun was out, the tunes were playing and there was some serious running going on! So – please go out and collect those pledges. Every lap counts. Turn your pledge envelopes stuffed with checks and cash to the office no later than FRIDAY JUNE 3rd.

Pick up Medication

Dear Parents/Guardians,

If your child has medication in the school office, please pick it up before June 10th or the medication will have to be discarded. We will not store medication in the office over the summer.

Next year, we have to start all over again with authorizations etc. Please sign and complete a new medication authorization form with your doctor and return the form to school in August with your child's medication(s). The form is available in the school office or on the RVSD website.

With your help, I look forward to a healthy and prepared school year.

Sincerely,

Laurel Yrun, RN School Nurse

Recommendation

Recommend identifying core/basic programs and provide guidelines to the Budget Advisory Committee for priority supplemental services that the Budget Advisory Committee may consider.

Objective - Purpose of Report

- To provide the Board with updates from the Budget Advisory Committee (BAC) and the BAC Steering Committee.
- To provide program information to consider in determining priorities for the coming school year.

Background Information

At the board's request, this item has been placed on the Agenda as a standing item. See Data/Discussion/Analysis for more detail.

Data/Discussion/Analysis

BACKGROUND/DISCUSSION

The administrators were asked to collect, summarize and explain the attached information. The attached work product is a work-in-progress; additional clarification or information may be requested as the result of reviewing the attached documents.

The order of information presented on the Table of Contents is by order of function. The administrators have been asked to report on a wide area of programs/services/activities and we have done our best to create uniformity in the attached documents. We welcome your comments on how to improve the information presented and how to make it more "user friendly".

NEXT STEPS

We have undertaken a tremendous project that entails building our budget from the ground up. It requires providing information to our Board, the Budget Advisory Committee, and the general public in a very short period of time. It also requires "thinking outside the box" to determine how to deliver mandated services more efficiently without excessive risk with federal/state and local funding sources and regulatory agencies' mandates. Most importantly, we want to deliver the best educational programs we can to the students of this district while living within a very lean budget.
