

Flexible Learning Opportunities

*Support the Parents,
Support the Child*

FLO, an Advocacy Group for Parents of Unique Learners, is working in partnership with the Ross Valley School District to provide education, support, and resources to parents.

Unique Learners show variations in areas such as giftedness, attention, memory, speech and language, auditory, visual, or sensory processing, organization, motor skills, behavior, and social skills.

Founded by five determined parents in the spring of 2010, FLO supports parents, teachers, and administrators working collaboratively to promote academic and social success for our children.

Education, Support, and Resources include:

- FLO Speaker Series
- FLO Online Community
- Monthly Parent Gatherings
- Parent Resource Library
- Calendar of Marin County- and San Francisco-based educational speaker events
