

LAP-A-THON

How to Start Fundraising TODAY!

- 1) This school year we have a \$450 per student funding gap to fill through our fundraising! Lap-a-Thon is our biggest fundraiser of the year.
- 2) You can donate directly to our Lap-a-Thon efforts by making a donation to your child's online fundraising page or by dropping a check made out to Manor PTA at the front office. We are extremely grateful to all the parents who financially support our school, and we also completely understand that not everyone can.
- 3) You can collect donations from family, friends, and neighbors using your personalized online fundraising page or sending your students out in the neighborhood with a paper donation form.
 - a) All parents will receive an email with a link to their child's donation page on Monday, October 2nd. Send it out to family and friends to collect donations!
 - The main website can be found here. You can search for your child's page from this homepage. www.99pledges.com/fund/ManorLap23Fall
 - Personalize your donation page with a picture of the student.
 - Each student's goal is **\$450**. If you would like to set your personal goal higher or lower, email lapathon@manorpta.org and we'll adjust it.
 - b) The paper donation form is attached to this flier to collect cash and checks. We encourage students to go out and talk to their neighbors! Students love going door-to-door, and many neighbors love supporting their local school.
- 4) All donations must be collected online or turned into the office no later than **Friday, October 27th**.
- 5) Don't forget to thank your donors!

Any questions? Please email us at lapathon@manorpta.org. We love to help!
